Additional Benefit Information

Deductible waived for periodontal cleanings.

Ask your dentist to submit a pre-treatment estimate to Delta Dental for any procedure that exceeds \$300. This will help you estimate any out-of-pocket expenses you may incur and will confirm that the services are covered under your dental coverage.

If you receive a treatment after you have exhausted your maximum or if you receive a treatment that will cause you to exceed your maximum, you may be billed at the dentist's normal rate rather than the Delta Dental's Negotiated rate.

*Non-participating dentists may balance bill. Subscribers are responsible for the difference between the non-participating maximum plan allowance and the full fee charged by the dentist.

You will enjoy great benefits when you receive your dental care from a participating dentist in either the Delta Dental PPO or Delta Dental Premier networks.
