

U.S. Campuses: Holiday Schedule for Academic Year 2024-2025

Northeastern observes the holidays on the dates indicated below. Some campuses observe holidays specific to their region as identified in parentheses. Certain areas providing front line services to students and other customers will remain open during the Winter Holiday at the end of the calendar year. Those offices remaining open for all, or part of this period will make the necessary arrangements and will publicly post their schedule. To be paid for the Winter Holiday, or any holiday, employees must be in a paid benefits-eligible status the day before and after the Winter Holiday break or holiday.

Labor Day is a floating holiday when the holiday occurs during move-in weekend. All benefits eligible staff not able to be off on the actual holiday may take another day off within one calendar month of the holiday.
