What's the Payroll Distribution Change (PDC) system

The purpose of this document is to be a reference manual providing detailed information to support the process of creating, approving/rejecting, and viewing the payroll distribution change requests.

Improved Features

The following improvements are implemented in the new version of the PDC system:

1. Auto populate position number for the Employee selected
2. Only valid and active indexes can be part of the request
3. Index and Account description are displayed for the account and the index used in the request
4. List of reasons to select for when a request is raised
5. Enter comments to justifying if the Change From date is less than the request date
6. Allow multiple approvers for a request
7. Allow HR to mark the request as complete
8. Receive notifications on various activities in the system
9. Dashboard for requestors to view visibility on the request status
10. Reports for HR users on various parameters

How to log into the system?

Step 1: Visit the web link for the PDC request page
Step 2: Enter your credentials
Step 3: Successfully sign in to view Home Screen

Walkthrough

Step 1: Visit the web link for the PDC request page

- a. Use the following link to view the PDC request landing page.

<https://k2forms.northeastern.edu/Runtime/Runtime/Form/PDC+-+My+Requests/?>

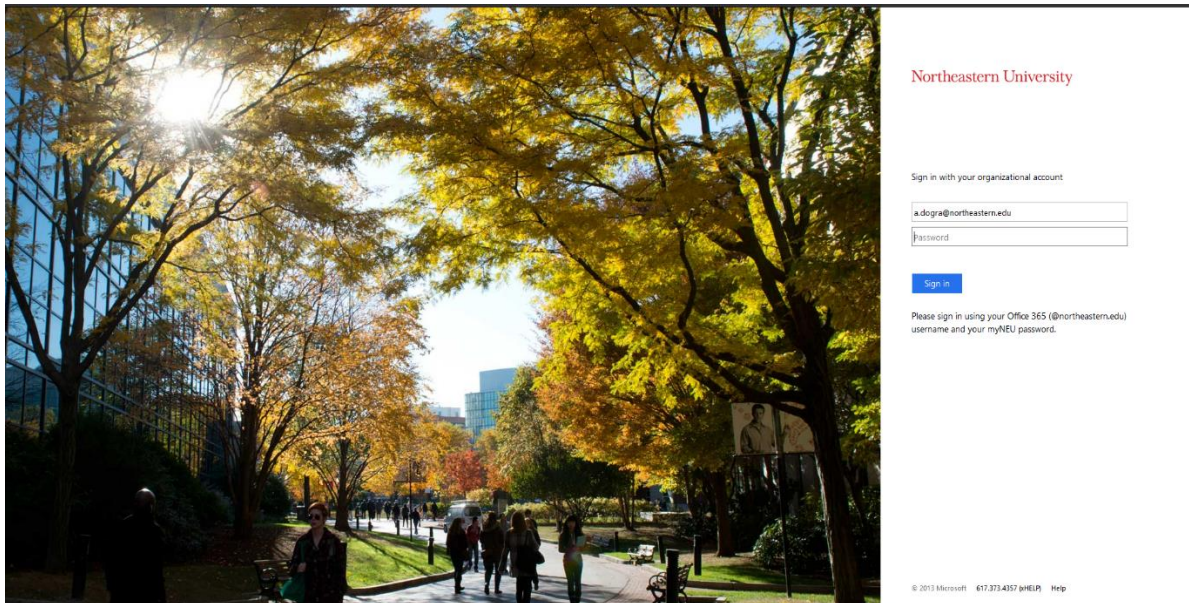

Note: The system is best compatible for use on the latest Firefox, Chrome, Edge or Safari browsers. The system is not responsive on mobile / tablet screens.

Step 2: Enter your credentials

- a. Log in to the system using [your-username@northeastern.edu](#) as shown in the screenshot below, and click on the **Next** button:

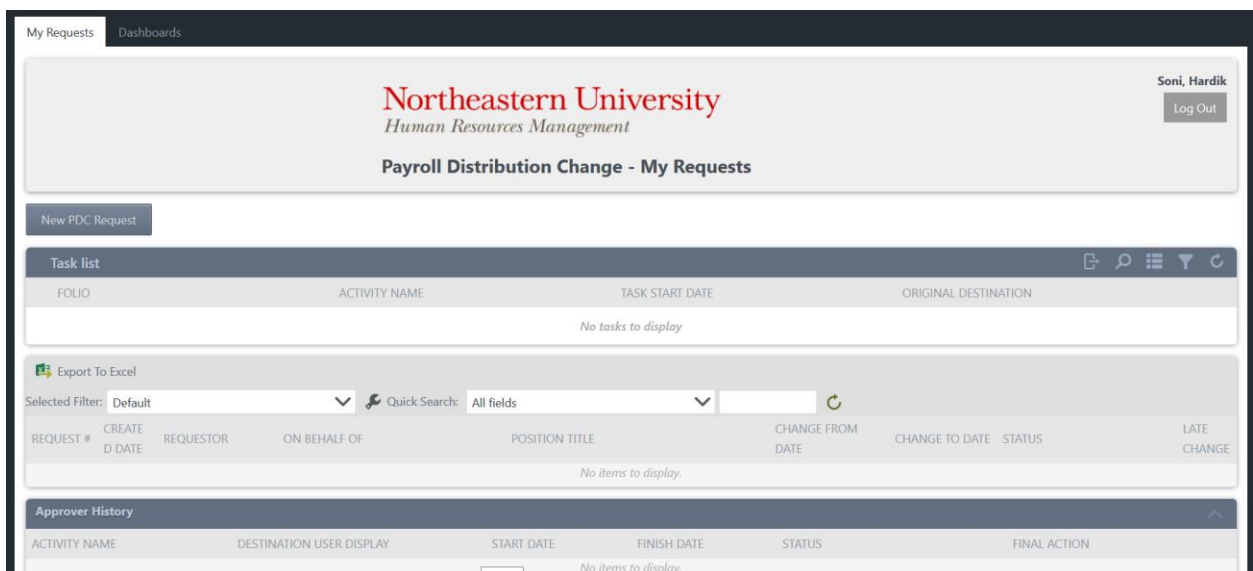

- b. You will be redirected to the Northeastern University Organizational Account sign in page, enter your credentials and click on the **Sign in** button.

Step 3: Successfully sign in to view Home Screen

- c. Once you are logged in you will be redirected to the Home screen of the Payroll Distribution Change system.

How to create a new Payroll Distribution Change (PDC) Request?

- Step 1: Click on the New PDC Request button
- Step 2: Enter General Information of requestor
- Step 3: Review Current Earnings Distribution
- Step 4: Modify the Earnings Distribution
- Step 5: Select the Approver(s)
- Step 6: Submit Request

Walkthrough

Step 1: Click on the New PDC Request button

- a. Once logged in, click on the **New PDC Request** button on the Home screen.

The screenshot displays the 'Payroll Distribution Change - My Requests' interface. At the top, the Northeastern University logo and 'Human Resources Management' are visible, along with a user profile for 'Soni, Hardik' and a 'Log Out' button. Below the header, there is a 'New PDC Request' button. The main content area features a 'Task list' table with columns: FOLIO, ACTIVITY NAME, TASK START DATE, and ORIGINAL DESTINATION. Below this table, there is a section for 'Export To Excel' and a 'Quick Search' field. The bottom section contains a table with columns: REQUEST #, CREATE D DATE, REQUESTOR, ON BEHALF OF, POSITION TITLE, CHANGE FROM DATE, CHANGE TO DATE, STATUS, and LATE CHANGE. The page also includes a 'Selected Filter: Default' dropdown and a 'Quick Search: All fields' dropdown.

Step 2: Enter General Information of requestor

In the **General Information** section, enter the following details:

- a. Full Name: This is the Employee name field for whom you are raising a request.
 - i. Enter the last name and hit enter.
 - ii. Or click on the magnifier icon to search in the Search dialog box.
 - iii. The **Position** field will be auto filled after selecting the employee. If the employee list is populated, select the position number from the prepopulated list.
- b. Change From Date: Set the date from when the change should be applied using the **Change From Date** field. If the from date selected is a past date, the requestor will have to enter a comment in the **Late Change Comment** field mandatorily.
- c. Request Reason: Select the reason for creating the request using the **Request Reason** picklist. If the Other option is selected, the requestor will have to enter a comment in the **Request Reason Other** field mandatorily.

2.a.i Search employee by entering their last name

2.a.ii Find employee through the Search dialog

2.b If Change From Date is a past date, Late Change Comment is mandatory

2.c If Other is selected in Request Reason, the comments in Request Reason Other is mandatory

2.d If there is a Change To Date, the After Change To Date is mandatory

- d. Change To Date: If the user selects the end date for the change using the **Change To Date** field, the requestor will have to select the change to be made after the selected to date using the **After Change To Date** field.

Step 3: Review Current Earnings Distribution

In the **Current Earnings Distribution** section, the employee's current earnings distribution is shown with Index details along with the Account (i.e. billed for the Index) and Percent amount billed.

Current Earnings Distributions		
INDEX	ACCOUNT	PERCENT
221110 - Internal Consulting	61130 - Salary-Professional	100.00
Total		100.00

Step 4: Modify the Earnings Distribution

- a. In the **Change in Earnings Distribution** section, click on the  **Add** button to add a new change.
- Select the desired Index by entering either the Index name or Index code.
 - Select the desired Account by entering either the Account name or Account code.
 - Enter the percent value in the Percent field.

Change in Earnings Distributions

 **Add**  **Edit**  **Delete**

INDEX	ACCOUNT	PERCENT	GRANT TYPE
685210 - DeSanctis Marine Scienc 	61210 - Salary- 	100.00 %	N
Total		100.00 %	

- b. Select the individual split line item and click on the  button to edit the individual line item.
- c. Select the individual split line item and click on the  button to delete the individual line item.

Step 5: Select the Approver(s)

- a. In the Request Approvers section, click on the  button to add an approver to the list.
 - i. For each of the approvers, search by entering the approver name in the Approver Name section.

Request Approvers	
APPROVER #	APPROVER NAME
1	j.wormuth@northeastern.edu
2	chen.fabio@northeastern.edu
3	<input type="text" value="Type a value"/>

- b. Select the individual split line item and click on the  button to edit an approver.
- c. Select the individual split line item and click on the  button to delete an approver.

Step 6: Submit Request

- a. Skim through the entire form and click on the **Submit** button in the bottom-right corner to submit the request.
- b. Click on the **Exit** button to cancel the PDC creation process.

How to Approve/Reject the Payroll Distribution Change (PDC) Request?

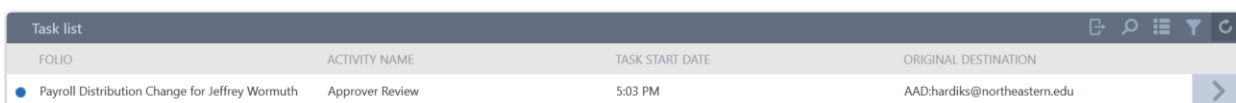

Step 1: Open Request from the Task List section

Step 2: Approve/Reject the request with relevant comments

Walkthrough

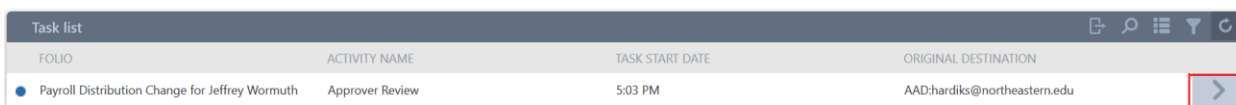

Step 1: Open Request from the Task List section

- Double-click on the request in the **Task List** section on the Home screen to view the list of the request waiting for your approval.

FOLIO	ACTIVITY NAME	TASK START DATE	ORIGINAL DESTINATION
