PARKING AT NORTHEASTERN ON YOUR FIRST DAY

If you are a full-time employee and planning to drive to work on your first day of employment at Northeastern, we have arranged for free parking for you in our Columbus Garage. The GPS address is **795 Columbus Ave., Boston, MA.**

Please inform the garage attendant that it is your first day of employment at Northeastern.

If by chance the garage is full, the attendant will direct you to the Renaissance Park Garage, also located on Columbus Avenue, just a couple of blocks from the Columbus Avenue Garage. If you park in the Renaissance Park Garage, please visit our Human Resource Management (HRM) office to obtain a parking pass which you will need to exit the garage without a fee. The HRM office is located at 716 Columbus Avenue, suite 250. Our office hours are 8:00a.m. until 5:00p.m., Monday through Friday.

This is only valid on the first day of your employment. If you plan to continue driving to work, you will be able to apply for parking by accessing your myNEU account when you arrive. If you have questions about parking at Northeastern, please visit <http://www.northeastern.edu/commutingservices/>, or call the parking office at 617-373-7010.
