

Weight Watchers® At Work (WW At Work) is an important and convenient program that benefits many members of the Northeastern community. Now is a great time to join the program, which once again will be led by Ms. Tanya Crews, a dynamic and experienced Weight Watchers (WW) leader who always inspires the group.

Every member of the Northeastern community—faculty, staff or student—is welcome to join Weight Watchers At Work. **Registration** for the fall 2011 **WW At Work** program will take place tomorrow, **Wednesday October 5th at 10:00 am in Room 435, Curry Student Center**. The first regular meeting will be Wednesday, October 12th. The weekly meetings take place each Wednesday at 10:00 am in 435CSC and last about 45 minutes.

To start the fall series a minimum of 15 paid members is needed. Prepayment for the **WW At Work** program is required at the start of the series. **WW At Work** weekly meetings normally cost \$13/meeting. Right now Weight Watchers is running a special: if 20 enrollees participate, they can sign up for 17 weeks of meetings and 19 weeks of free E-Tools for \$186—a savings of \$35. If we have 15 members, we are eligible for 12 weeks of meetings and 14 weeks of free E-Tools for \$156.

Information about the program, the cost of the program and all other general questions will be addressed at the registration meeting and all subsequent meetings.

The campus contact is Mary Ann Phillips, a staff member from the Public Safety Division. Please contact her with any questions at x5290 or m.phillips@neu.edu.
