MEET: The face behind the function, Steve Swick, Compliance Coordinator

Steve Swick manages the I-9 and background checks required for every hire, rehire, and promotion through Northeastern. As Compliance Coordinator he works directly with HR Operations to ensure we're compliant with state and federal regulations, providing any policy adjustments we need along the way. As a member of our Customer Service Team, he's also helping address any and all of your questions every day.

But this serious description of his work fails to give away how much fun Steve can be—whether on Trivia night or as a NU Madness contributor. [Read more](#) about Steve.

WINNERS: Cut down the nets!

The inaugural NU Madness tournament ended on April 5 with the Seattle Campus winning the women's bracket via Stanford and the Cabot Testing Center taking the men's championship via Baylor's blowout win over Gonzaga.
