Human Resources Management

Holiday Schedules for Academic Calendar Years:

2013-2014, 2014-2015

The University is observing the holidays on the dates indicated below. Certain areas providing critical front line services to students and other customers will remain open during the extended holiday period at the end of the calendar year. Those offices remaining open for all or part of this period will make the necessary arrangements and will publicly post their schedule. Personnel working during the year-end extended holiday will receive compensatory time. To be paid for the extra winter holidays, you must be in a paid benefits eligible status the day before and after the winter holiday break.
