Free

There's no fee for any services provided by your EAP, from counselling to life coaching, and if you're referred for any outside services, you will be advised of the cost beforehand.

Confidential

Everything you share with our team is 100% confidential, unless we believe your safety or the safety of another individual is at risk. When you contact us, you don't even have to give your name – just tell us the company that you work for.

There when you need it

At any time of the day or night, you or your family can speak to our counsellors using your local numbers or Live Chat in the Hub app.

A consultant will ask you a few questions to get a better understanding of the kind of support you need and help to guide you towards the right answers for you.
