Please provide a copy of this form to your physician and/or healthcare provider for your permanent medical records.

F064 REV. 02/18

Initial

I attest that either (i) I am a member of the BCBS of Massachusetts plan which is my primary medical coverage, or (ii) I will be responsible for payment directly to Maxim for services rendered if it is determined that I am not otherwise covered for this influenza immunization, e.g., by another insurance carrier or by my employer.
