BENEFITS OVERVIEW (continued)

Wellbeing

Employee Assistance Program (EAP)

Your Employee Assistance Program (EAP), provided by Lucet, offers confidential 24/7 support for you and your family. You and your household members and dependents (up to age 26) can receive up to six free consultations per concern, per person each year with a licensed clinician, plus access to helpful tools and resources.

Lucet provides confidential, 24/7 support for employees and eligible household members. Resources include counseling, coaching, crisis support, legal and financial consultation, and work-life referrals. Employees and dependents may receive up to six counseling sessions per concern or event, per year, at no cost.

AHealthyMe Wellness Program

AHealthyMe helps you build healthy habits through a personalized health assessment, wellness education, activity tracking, challenges, and opportunities to earn rewards. Complete recommended activities and use available tools to take an active role in your physical and emotional well-being.

Financial

Health Savings Account (HSA)

When you enroll in the High Deductible PPO, you may be eligible to contribute to an HSA using pre-tax payroll deductions. Northeastern also contributes to eligible employees' accounts. You own the account, unused funds remain available from year to year, and funds can be used for eligible current or future health care expenses. You can use it to pay for eligible medical expenses for yourself or your dependents. Northeastern also contributes – $500 annually for individual coverage or $1,000 annually for family coverage – to help you plan ahead. Note that contributions to an HSA are always your money to keep, there is no "use it or lose it" rule.

Flexible Spending Accounts (FSAs)

Health Care and Dependent Care FSAs let you set aside pre-tax dollars for eligible expenses. You must actively re-enroll each year, and unused funds may be forfeited under applicable plan deadlines. Estimate your expenses carefully and submit claims on time. You can then use a Health Care or Dependent Care FSA to help pay for eligible medical, dental, vision or daycare costs.

403(b) Retirement Savings

You may begin making traditional pre-tax or Roth 403(b) contributions upon hire. Once you meet the plan's age and service requirements, contributing 5% of eligible pay allows you to receive Northeastern's full 10% university contribution. Review your contribution rate, investment elections, and beneficiary designation regularly. Eligibility for the 403(b) begins on date of hire.

Protection

Basic Life

Northeastern provides basic life insurance at no cost to you. Your benefit is 2 times your annual salary, up to $500,000.

Supplemental Life

You may purchase life insurance for yourself, your spouse/domestic partner and your dependents at affordable group rates. Supplemental employee, spouse/domestic partner life insurance rates are based on age. The full schedule can be found in the 2027 Benefits Guide. You may need to complete evidence of insurability and a statement of health for approval by Lincoln Financial.

- **Employee:** Up to 4x your annual base salary up to a maximum of $500,000.
- **Spouse/Domestic Partner:** $25,000 - $100,000 in increments of $25,000.
- **Child(ren):** $10,000 or $20,000 for each dependent child under age 26. One election will cover all children. Benefits for infants under 6 months are limited to $1,000 in coverage.

BENEFITS OVERVIEW (continued)

Disability

Northeastern provides eligible employees with disability coverage at **no cost**. Coverage is automatic; you do not need to enroll. Disability benefits may replace a portion of income when an eligible employee cannot work because of a qualifying medical condition. Benefits-eligible faculty and staff are eligible for the disability program on the first day of the month following completion of one year of service. The one-year waiting period will be waived if you were enrolled in long-term disability insurance with a prior employer within four months of joining Northeastern. A waiver must be completed within 30 days of your initial date of employment. The waiver can be found here: https://assets.hrm.northeastern.edu/pdfs/benefits/Retirementplan_disability_waiver.pdf

- **Long-Term Disability:** 60% of your salary, up a maximum of $25,000 per month.

Additional Benefits

Legal

The employee paid legal plan gives you, your spouse/domestic partner, and your dependents affordable access to legal help. You can get advice and fully covered services for many personal legal matters from an in-network attorney.

Backup Care

When your regular child, adult, or elder care arrangements fall through, backup care through Care.com can help provide access to trusted care options when you need them most. Benefits-eligible employees receive a Care.com membership at no cost and have access to backup care benefits to help manage unexpected caregiving needs. Take time to understand available resources before a caregiving emergency occurs.

Homeowners, Renters, & Auto Insurance

Protect the things that matter most with access to group-discounted home, renters, and auto insurance options through Farmers Insurance. These voluntary programs can help you secure competitive rates and convenient coverage tailored to your needs. Review your coverage periodically and compare options to ensure you have the right protection for your home, belongings, vehicles, and financial security.
